Do hereby confirm, undertake and agree as follows with regard to the hunting and recreational activities, which may include accommodation (hereinafter referred to as "the Activities") granted to me on the Farm Bergplaats.

1. I acknowledge that Farm is a working and hunting farm outside of the urban environment, that the risks normally associated with a natural environment and a working farm are present, and that the Activities are potentially dangerous. I hereby accept the use of the Farm and Activities at my own risk, the extent of the harm and risk I am fully aware of.
2. I agree to abide by the rules and regulations as determined by you, which are applicable to my presence on the Farm or the Activities.
3. I agree to keep you indemnified and to hold you harmless against all loss, damage, injuries or accidents or legal costs, from any cause arising, which you, your family and personnel may sustain as a result of having granted me access to the Farm or the aforesaid Activities.
4. I agree to keep you, your directors, your family and personnel indemnified and to hold you harmless against any claim on account of any loss or damage, death, injury, accident or legal costs suffered by me or my invitees arising from any cause whatsoever arising whilst on the Farm or participating in the Activities.
